Long COVID: A 'mysterious' syndrome with 'no clear pattern' of symptoms

While the most acute symptoms of COVID-19 have faded, a few patients, including those who were hospitalized, continue to experience symptoms long after they were discharged. In a new study, researchers found that these patients, known as long COVID, have a wide range of symptoms, including fatigue, brain fog, and hair loss. The study also found that these patients have a higher risk of hospitalization and death than those who were not hospitalized. The researchers also found that these patients have a higher risk of developing other health conditions, such as anxiety and depression. The researchers also found that these patients have a higher risk of developing other health conditions, such as anxiety and depression.

We are learning about it in real time

Dr. Heidi Smith, chief medical officer of the CDC, said that the CDC is still learning about long COVID. She said that the CDC is still learning about long COVID and that the CDC is still learning about long COVID. She said that the CDC is still learning about long COVID and that the CDC is still learning about long COVID.

DISCOUNTS

- Combined Earned Frequency Discount:** All insertions of a parent company and its subsidiaries are combined to determine the earned frequency rate. Advertisers may combine advertisements run in all Healio and SLACK publications to achieve maximum frequency.
- New Advertiser Discount:** New advertisers with a minimum 3 ad commitment receive a 10% discount off all advertising placed in 2022. This discount may not be combined with the Continuity Discount. To qualify, the advertisement must be for a:
 - Product that has not advertised in Infectious Disease News in the past calendar year
 - New indication for a currently advertising product in Infectious Disease News
- Continuity Discount:** Advertisements for an individual product are eligible for a discount based upon the number of issues in which they advertise. Issue insertions do not need to be consecutive. This program may not be combined with the New Advertiser Discount.
 - 6 issues = 10% off
 - 12 issues = 15% off
- Prescribing Information Discount:** B&W prescribing information (PI) pages are eligible for the following discount. The 3rd page of PI and after may take a 50% discount off the earned rate.
- Clinical Trial Ad Buy One, Get One Free:** Clinical trial advertisements may run a second insertion of the same ad unit in any issue for no charge. Ad creative must promote participation in a current clinical trial. Corporate and/or disease state advertisements are not eligible. May not be combined with other Continuity, Free Ad or New Advertiser Discounts.
- Multichannel Program:** Custom multichannel programs are available that meet your specific advertising needs. Contact your Sales Representative to discuss options.
- Corporate Discount:** Total net spend achieved in the year 2022 will set a Corporate Discount to be taken off 2023 advertising.
- When taking advantage of more than one discount, discounts must be taken in the following order:

Gross Cost:

 - Less Prescribing Information Discount
 - Less New Advertiser/Product or Continuity Incentive
 - Less Healio Strategic Solutions Corporate Discount
 - Less 15% Agency Discount

Equals net cost
